## Community Group Questions

---

1. What do you prefer to be called? A Christian/born-again/Jesus Freak/Christ-follower? Why?

2. Is Christianity a religion or is it a relationship? Is it both?

3. Read 1 Peter 4:14-16. Have you ever been insulted or labeled as a “weirdo” because of your association with Jesus Christ?

What happened? What was the outcome? Did it make you stronger or did it make you weaker?

What does this passage tell us about being associated with the name of Christ?

4. Read the Great Commission in Matthew 28:28-30. Is this a suggestion or a commandment? Why should we be baptized? Does anyone in the group need to be baptized? Is there a hot tub nearby?

5. Read 2 Corinthians 5:17-20. What does this teach us about our past? What about how we should live? What does it mean to bring a “message of reconciliation” to others? What are some practical steps that can help us?

### 6. CHALLENGE [Week One]

This week pray for the salvation of someone you know. Pray for God to use you in the life of this person. Pray to know your mission in life.

Hold each other accountable this week to do this challenge!
